

Call for Entries

Film Colorado

The Sangre de Cristo Arts Center announces a Call for Entries for art films to be exhibited during our Hollywood and Film-themed exhibitions summer 2008. We seek works that explore the convergence of art and film with an emphasis on Colorado. We are particularly interested in films that focus on visual aesthetic through contemporary film-making techniques. We want films that relate to Colorado, are filmed in Colorado or produced by Colorado filmmakers. We support and encourage work that displays creative excellence.

Your film must be less than 20 minutes long. The running time includes closing credits, so your film cannot run over 20 minutes if you're running closing credits. There are no restrictions on genre or number of submitted works.

FORMAT COMPATIBILITY:

Only DVDs are eligible for entry. DVDs must be a Region 1 DVD-R format (DVD minus-R). DVDs must be finalized and "compatibility tested" on a different DVD player than the one used to burn the entry. Make sure the audio is mixed onto one channel and that there are no problems with the DVD. DVDs should be set to auto start and repeat. Please do not send data files burned onto a DVD.

SUBMISSION DETAILS:

Each submission should be labeled with:

- Title of Entry

Deadline for submissions is **March 28, 2008**. Submissions are \$10.00 for the 1st submission and \$8.00 for each additional submission from the same director/filmmaker.
