

Sangre de Cristo School of Dance | 2018-2019 Academic Year Scholarship Application Form

The Sangre de Cristo School of Dance is pleased to be able to award a limited number of need and merit based scholarships each year.

Scholarship Guidelines

- 1. Scholarship applications for the Fall 2018 semester are due by Saturday, September 8th and must be turned into the dance office.**
2. Scholarships are available only to those who are not financially able to fully pay for the classes themselves. Generally, our scholarships pay for no more than 50% of **class tuition**. Scholarships do not cover registration fees, performance fees, or classes outside of the School of Dance.
3. Applicants must be in good financial standing with the School of Dance prior to submitting an application.
- 4. Applicants must turn in three months' worth of pay stubs from the party responsible for payment with this application.** Applications turned in without three months' worth of pay stubs will not be considered for a scholarship. Please provide any other financial documents you feel would help us in determining your need for scholarship.
5. Please be aware that your application does not guarantee a scholarship
6. The first month's tuition is due the first week of class. Scholarship awards will be determined by the second monthly tuition due date and tuition will be adjusted accordingly (please see registration packet for tuition payment schedule).

Upon receiving your application, the Sangre de Cristo School of Dance will form a scholarship committee to review all applicants. The committee will determine which applicants, if any, will be awarded scholarships for the 2018-2019 year. All applicants will receive a letter from the scholarship committee whether they receive a scholarship or not, so that all applicants are aware of their financial status within the School of Dance. Applicants receiving a scholarship will receive a payment agreement that must be signed and turned into the School of Dance before scholarships can be allotted.

Criteria for receiving/maintaining a scholarship are as follows:

1. Recipients must exhibit exemplary behavior and continued steady growth in class.
2. Recipients are required to attend no less than 90% of all scheduled classes. Students must inform the instructor in advance of classes that will be missed.
3. Recipients must participate in all performances during the semester the scholarship is awarded.
4. Recipients must pay their part of the tuition promptly on the due date, as well as registration and performance fees. (Please see registration packet for tuition payment schedule.)
5. We highly recommend that the student and/or parent volunteer in accordance with the needs of the School of Dance. Some examples are helping with the costumes (organizing, mending, sewing, cleaning), putting up posters, usher at performances, office work, staffing the Nutcracker Boutique, etc.

Please answer the following questions on the second page of this form and return it to the School of Dance office no later than Saturday, September 8th 2018.
