## **ZOOM: Things That Go!**

### **Get in Gear this Summer at the Buell Children's Museum**

**(Pueblo, Colo.- May 14, 2019)** The Buell Children's Museum is super charged this summer with a new exhibit entitled **"ZOOM: Things That GO!"** Kids will be off to the races with a series of motion-themed things to do all over the Children's Museum. The fun begins Monday, June 10 and will run through Saturday, November 2, 2019.

In this exhibit, guests will :

- Explore principles of gravity and momentum by designing your own marble run on our magnet walls.
- Use wind power to propel a sailboat made of recycled materials on the water table.
- Learn about aerodynamics by folding various paper airplanes and seeing how they fare in our flight challenge.
- Cuddle up with one of our plush reptiles in the Lizard Lounge and peruse a book about "How Things Work".

As always, guests get to take home the art projects they make – so the exploration continues even after the visit is over!
